#### 20 AND RELATED COUNTERCLAIM

23 As permitted by the Court's Order filed August 8, 2006, plaintiff has filed a declaration  
24 explaining why it is unable to produce certain documents within the time frame specified in that  
25 order, and requesting additional time. Plaintiff's declaration, however, does not provide the  
26 information required by the August 8th Order regarding when plaintiff reasonably believes the  
27 production can be completed. Plaintiff shall, within two court days of the date of this order, file an  
28 additional declaration or declarations that (1) provide sufficient information for the Court to

1 determine how much additional time to complete the production is reasonably necessary, and (2)  
2 explain why the information regarding the July 2006 fire in plaintiff's offices was not presented to  
3 the Court prior to or at the hearing held in this matter on August 2, 2006.
